

Call for Participation

We invite you to join us **13th International Conference on Software Engineering & Trends (SE 2025)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Software Engineering. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on understanding Modern software engineering concepts and establishing new collaborations in these areas.

Highlights of SE 2025 includes:

- 13th International Conference of Information Technology, Control and Automation (ITCA 2025)
- 13th International Conference on Foundations of Computer Science & Technology (FCST 2025)
- 13th International Conference on Information Technology in Education (ICITE 2025)
- 13th International Conference on Signal Image Processing and Multimedia (SIPM 2025)
- 17th International Conference on Computer Networks & Communications (CoNeCo 2025)
- 13th International Conference of Advanced Computer Science & Information Technology (ACSIT 2025)
- 17th International Conference of Managing Information Technology (CMIT 2025)
- 6th International Conference on Soft Computing, Artificial Intelligence and Machine Learning (SAIM 2025)
- 6th International Conference on Semantic & Natural Language Processing (SNLP 2025)
